

Conferences & Evaluations

Teachers appreciate the opportunity to share information with parents vital to the child's progress. An informal phone conference will be scheduled in summer, winter, and/or six weeks after enrollment. Conferences are scheduled winter. (January) Written evaluations are distributed at the winter conference.

The teacher or a parent may request additional conferences at any time. If you are in need of additional information or have a concern about your child's school experience or parenting practices, please contact your child's teachers. Should your child's teacher be unable to provide you with an adequate response to your questions, please feel free to contact the Executive Director.
